PROFILE

BCA student with practical experience in **digital marketing, social media, YouTube SEO, content optimization, and creative design**. Skilled in managing and optimizing YouTube content, creating social media creatives, and working with Meta Ads. Focused on improving online visibility, content performance, and brand presence through practical digital marketing strategies

PROFESSIONAL EXPERIENCE

YouTube SEO & Channel Optimization 🔗

- Optimized a personal YouTube channel using SEO strategies to improve search visibility.
- Performed keyword research and optimized video titles, descriptions, tags, and playlists.
- Monitored YouTube Analytics to understand CTR, watch time, and overall channel performance.
- Worked on improving content discoverability and channel optimization.

Social Media & Creative Design 🔗

- Created Instagram posts and social media creatives for digital marketing and promotional campaigns.
- Designed visually appealing layouts using typography, color, and clear content hierarchy.
- Created engaging YouTube thumbnails to improve visual appeal and attract audience attention.
- Used Adobe Photoshop and Canva to design social media graphics and marketing creatives.

Meta Ads

- Worked with Meta Ads Manager and learned campaign setup, objectives, and ad creation.
- Studied audience targeting, ad creatives, and basic campaign structure for Meta Ads.
- Familiar with Facebook Pixel, lead generation campaigns, and the Meta Ads Manager interface.
